

Meal-time variety

Perhaps never before has the taste-fresh quality of bread been so important. Remember therefore, that Turog—the brown bread of health—remains its "breath-like" freshness for a long time. Its full wheat flavour too, brings a welcome variety to meal-times.

Doctor's Advice to Women

HOW TO KEEP WELL, SLIM AND BEAUTIFUL. If a woman wants to keep well, to retain her figure and complexion, she needs something different from an ordinary make-up. Women need something special, specially designed for women.

For one thing she needs something which gently and without any drastic action will clear away all poisonous wastes which clog the bloodstream, make complexion mottled and cause unwanted fat.

The trouble is said to have arisen when identification cards were demanded at the block.

ROMMEL HAD MORE TANKS, GUNS, MEN

Continued from Page One. Then there was the disastrous battle when our tanks ran to the muzzle of an anti-tank machine gun.

Clever Our forces, in fact, have by no means been eclipsed by numbers, so it looks as though our tactics were the reason for the result.

As I've said before, let's stop a front war. The Libyan front is the only one where we're fighting the Germans.

Why don't we concentrate on this battlefield as the major one and then drive the Germans from North Africa? We can do it, we wish.

One last word. THE R.A.F. SAVED THE DAY, and anyone who doubts the country that doesn't know what he is talking about.

In Egypt, though, there's a query. Who has it taken so long to put Spitfires into the air?

Important factors in the capture of the Egyptian ports were the I.A.F. were forced to retreat.

Other "verdicts" by correspondents.—REVEAL: The Eighth Army is the first time comparable in firepower to the enemy.

CHANGE: The German anti-tank guns were superior to ours.
