Dear Mrs Maskell,

Many many thanks for "Lester Wanderings
- Mainly in Argyll". She had a lovely style of writing
& we will enjoy reading it & will treasure it!

If you feel at any time you can part with
"Isleman of Bide" and "The Isles of Flame", we would
be more than delighted to become their custodians.

In enclosing a book I thought you might
enjoy reading, Amrisany is quite near here & the
recollections remind me so much of life here in the 40's.

Thank you once again, we are indebted
to you for such a gift.

Sincerely yours

Patricia Macpherson
