

5 June 88 Arra

I've not yet been up there, but
as told there is an easy way for
us in Thrus. This is a
wonderful holiday - all comforts
in the hostel - a single room,
hot bathing, excellent food, &
everyone most congenial. Had
a beautiful trip (1st class)
by bus to Glasgow through
the Lake District, & crossed
over to Arra by Ardrossa in
a brisk wind wearing our parkas
(By this time were fraternizing)
Many thanks for maps of
parka - all most useful
