

Mar 23 '89

Many happy returns. Arrived
in good order 6:45pm
Mar 21. No time for jet lag
on next day - visited these

Nu Gardens - a river trip down
to the open sea - a marvelous
acrobatic show - the evening,
with a performing Panda! I
think of the little family who
were interested here. It is a
totally different place - much
reconstruction everywhere, &
they ride bicycles with no lights
